

Caleb Smith

Arnold, MO | 314-775-3363 | scaleb786@gmail.com | github.com/C-S-23 | c-s-23.github.io/caleb-portfolio

SUMMARY

Front-end developer in training with a B.S. in Information Technology / Cybersecurity (in progress) and four years of high-volume customer service experience. Builds clean, responsive websites using HTML, CSS, and JavaScript — including a fully custom portfolio with animations, scroll interactions, and mobile navigation. Brings the same attention to detail and care for the end user to every line of code.

SKILLS

Front-End	HTML5, CSS3, JavaScript (DOM, events, vanilla patterns)
CSS Techniques	Flexbox, CSS Grid, Responsive Design, CSS Custom Properties
Tools & Workflow	Git, GitHub, GitHub Pages, VS Code
In Progress	React, TypeScript, Accessibility (ARIA, focus management)
Professional	Customer Service, POS Systems, Cash Handling, Attention to Detail, Problem-Solving

PROJECTS

Personal Portfolio Website — v2

Designed and built a premium dark-themed portfolio from scratch using HTML, CSS, and vanilla JavaScript. Version 2 is a complete redesign featuring a glassmorphism navigation bar, animated gradient hero, custom cursor with lag effect, magnetic buttons, 3D card tilt on hover, scroll-triggered reveal animations, a scrolling skill marquee, animated stat counters, and a fully responsive mobile layout. All animations respect *prefers-reduced-motion*. Zero frameworks, zero dependencies.

EXPERIENCE

Chick-fil-A — Customer Service Team Member

Arnold, MO | June 2025 – Present

- Deliver fast, accurate service in a high-volume environment — routinely handling 100+ customers per shift with no errors.
- Maintain food safety and cleanliness standards while coordinating with team members during peak hours.
- Manage POS transactions and cash handling with consistent accuracy and accountability.

Chick-fil-A — Customer Service Team Member

Springfield, MO | Nov 2024 – Apr 2025

- Resolved customer order issues calmly and efficiently, preserving guest satisfaction under pressure.
- Upheld food safety and preparation guidelines in a consistent, detail-oriented manner.

Subway — Customer Service / Food Prep

Arnold, MO | Jul 2022 – Aug 2024

- Prepared orders efficiently while maintaining quality and sanitation standards across a two-year tenure.
- Balanced cash drawer at end of each shift; managed transactions with strong numerical accuracy.

Gateway Optical — Shipping Assistant

Webster Groves, MO | May 2021 – Aug 2021

- Organized inventory and prepared accurate, on-time shipments — reinforcing habits of precision and follow-through.

EDUCATION

Missouri Baptist University — B.S. Information Technology / Cybersecurity

Expected May 2027 | Transferred from Missouri State University and Jefferson College
